Under Articles 105 (2) and 194 (2) of the Constitution, the freedom given to the public representatives to do & say something inside the Parliament and the Legislative Assemblies is related to the collective functioning of the House.

If someone takes a bribe, then only a case is made against him. It does not matter whether he later asked a question or gave a speech or not. As soon as an MP or MLA takes a bribe, a charge is made against him.

What was the earlier decision of the Supreme Court: – In 1998, the court ruled that MPs and MLAs cannot be prosecuted for taking bribes in such cases because they are protected by parliamentary privilege.

## In which case the decision was given

- Sita Soren, elder sister-in-law of former Jharkhand Chief Minister Hemant Soren, was accused of taking bribes to vote in favor of a particular candidate in the 2012 elections for a Rajya Sabha seat.
- Sita Soren was the MLA of Jharkhand Mukti Morcha at that time. After receiving the complaint in this matter, the Election Commission canceled the elections. CBI investigated and filed a charge sheet.
