Dear Sir/Madam

Here I am express my interest in applying for a teaching position (Specially for Science and other GS subject) and I hope my qualifications(M.Sc. in Biotechnology) and some little bit experience(teaching and preparation for competitive exams) closely match your requirements.

Therefore, please accept my resume for your review and consideration and allow me to briefly explain how I can contribute into your organization.

I am passionate about empowering candidates and helping them to develop their full potential. Part of this process includes close interaction with them to encourage participation and reinforce learning while building the self-esteem and confidence.

Sir I have been utilizing my teaching skill for four years in various coaching based guidance, I enjoy being creative and utilizing new ideas and approaches to improve the learning environment for students.

I am well aware of the high standards of your organization and it would be a wonderful challenge for me to be part of them. I look forward to discussing this opportunity with you at your earliest convenience. Please feel free to contact me via phone or e-mail.

Thank you for your time and consideration. I look forward to speaking with you soon.

Sincerely

Amitesh Kumar Soni
