

## PROFILE

5 Years of experience (both preparation and evaluation) in UPSC and 2 Years of preparation experience in MPPSC (since Sept 2019).

Comfortable in online evaluation due to constraints in traveling and residence.

I consider myself competent enough having command over both languages, and my subjects be it science, polity, geography or economics. Given a chance, I can prove myself worthy of the trust you show in me.

## SKILLS

---

1. Exercise a very good command over application tools such as MS word, PowerPoint, Excel. Also experienced in using cloud storage media as most of my preparation work is online.
2. Experienced in checking answers on insights and telegram channels and UPSC preparation groups.
3. Better command than most over English and Hindi languages both.
