## About Me

### Detail Info

#### Address

B.T. Road- Indira Gandhi Ward Jabalpur, Madhya Pradesh, India

#### Birth Date

Date: 07/May/1995

#### Summary

I developed my interest in teaching after my 1st year internship. Since then I have been teaching in bits and pieces and now I'm looking forward to pursue my career in this domain. I've a natural personality to get comfortable with students and create a healthy learning atmosphere in classroom.

---

## Education

### BITS PILANI, K.K. Birla Goa Campus

2013 - 2018

M.Sc.( Hons.) - Mathematics

### BITS PILANI, K.K. Birla Goa Campus

2013 - 2018

B.E.(Hons.) - Mechanical Engineering

---

## Experience

### Bansal Classes

2014 - 2014

Marketing Intern

I did two month internship and learned Marketing and Data analytics. I was also introduced to teaching prospects by the Director of centre.

### Acads Studio

2014 - 2014

Intern Faculty

I was exposed to the world of teaching students of class 9th and 10th. This experience sowed the seeds of my interest in teaching. I learned to interact with students and understand the problems they face in their academic and personal life

### Edubase Classes

2018 - 2019

Co-founder And Mathematics Faculty

Co founded a coaching Institute with my senior from IIT-Kharagpur as a pilot project to experiment with art of teaching and infuse the concepts of Joint entrance examination to students of 9th and 10th. This experience consolidated my desire to continue in the field of teaching, developed a sense of responsibility and reflected my confidence amongst the students and classroom teaching.

---

## Projects

## Indian Institute Of Information Technology-Jabalpur

2017 - 2018

Supply Chain Management Of Perishable Products

I did my thesis under Dr. Sunil Agarwal, Associate Professor- Dept. Of Mechanical Engineering. I learned the aspects of Mathematical modelling and coding of Model to obtain the required solution.

---
