👤 PROFILE

I find teaching synonymous with learning where you actually engage yourself with active learning of life.

Hello, My name is Monisha Yadav and I am looking up for a job as teacher. I was delighted to see job listed at Mitesh Rathee Classes. I truly want to share my learning with students there as I am actively engaged with subject of social sciences having prepared for UPSC. I have taught to my young siblings and in the process of teaching them I got to know this is my interest area where I can excel.
