

KripaShankar Pathak

“

I have an overall experience of 25 years in Teaching domain. I completed my Post graduation in August 1990, and started my teaching career from Government schools in both (Hindi/English) mediums . My immense interest and knowledge in Mathematics makes me suitable match for the opening. I have a great experience in Teaching in Higher classes specially 11th and 12th. However, if required, I am comfortable teaching lower classes as well. My experience in teaching domain for 25 years in mathematics makes me the most suitable candidate for the opening.
