ABOUT ME

Currently I am in the last stage of my PhD research work at IIT Indore in the area of thermal engineering. I have one year teaching experience in Parul university, Vadodara and one year industry experience in Bajaj auto ltd.

EXPERIENCE

Assistant Professor

2014 - 2015 • Parul University
Mechanical Department

Graduate Trainee Engineer

2010 - 2011 • Bajaj Auto Ltd.
3 Wheeler Paint Shop Department

EDUCATION

- 2019 Ph.D (Ongoing)**
IIT Indore - Autonomous (CFTI)
- 2014 M Tech (Thermal)**
NIT, Warangal - Autonomous (CFTI)
- 2010 B.Tech (Mechanical)**
Govt. College of Engineering, Amravati - Autonomous
- 2005 H.S.C (85.17%)**
M. J College, Malkapur - Amravati Board
- 2003 S.S.C (85.20%)**
L. B. Chandak Vidyalaya, Malkapur - Amravati Board

ACHIEVEMENTS

- Achieved All India Rank (AIR) 1578 (98.6 percentile) in GATE-2012 among 112000 Students
- Published two papers in reputed international journal
- Was selected in Bajaj Auto limited through campus recruitment.

INTERESTS

- Thermal Engineering
- Heat Transfer
- IC Engines
- Energy Conversion Processes
- Renewable Energy

LANGUGAES KNOWN

- Marathi (Native or bilingual proficiency)
- English (Professional working proficiency)
- Hindi (Native or bilingual proficiency)
- German (Elementary proficiency)

I hereby declare that the information given above is true to the best of my knowledge & belief.
