- Quality Surveying And Costing.

Senior Secondary School (April' 11 To April' 12)

The Cambridge higher secondary school, Ujjain, (M.P.)

Physics, Chemistry & Math (Distinction in Hindi) with 61.4%

Higher Secondary School (April' 09 to April' 10)
The Cambridge higher secondary school, Ujjain, (M.P.)
Cleared with 71% (Distinction in Mathematics)

PROJECTS

Minor Project :

Comparative Analysis of Flat Slab with Drop Panel and Conventional Framed Structure.

- Design and analysis of flat slab with drop panel.
- Analysis of Conventional frame structure.
- Analyzed using E-TABS 2015 V15.0.0 the Node displacement of beam, column reaction and bending movement at various node has been analyzed and a graphical representation for the displacement is included in the report.

Major Project :

Design of Residential Building.

- Research work has been done to calculate loads according to the code IS: 875-1987.
- Designed a CAD model (part of a 2 member team) of Residential Building.

CERTIFICATIONS

- Certification of AUTO CAD.
- Summer intern training certificate.
- One year work experience certificate.
- 2 year work experience as abn educator for bank exams.

SKILLS

Engineering Packages: AUTO CAD, REVIT, ETABS

OTHER : MICROSOFT OFFICE.

ACHIEVEMENTS

- Elected as a House Caption of my School for 3 years.
- Elected as a Cultural Secretary of my school for 1 years.
- Volunteered in managing various cultural and sports events organized by our School and Collage.
