Concluding this section with a small sample of the way I write and yearn to learn and grow each new day -

"Thoughts that would never cease to exist, not even for a moment, what do they carry?

These trivialities? Why for? Nothing? Maybe.

And it keeps ringing again and again what for? It keeps on goin', ain't no stopping, can't reflect them through writing, or am I reflecting? But does the reflection feed to the thoughts, yes it does but thoughts won't mind. Carrying on with the next. Won't stop."
