

RATNAKALASH DIXIT

D.O.B :- 04/ July/ 1991

PROFILE

I believe in sincerity, perfection & above all positive thinking, I value the job, which means opportunity to apply knowledge and provide me with an environment, which stimulates learning.

I will do hard work with full zeal and confidence. I will not try but I assure you that I will give best result. I want to work with an organization where my skills and knowledge would be utilized and enhanced by continuous process of learning.
