Education Empowers

PROFILE • ABOUT ME

Namaste, I have done graduation in b.com and post-graduation in political science. Both degrees were in regular mode and from Delhi University. I studied at BYJU'S classes during 2015 and at SHUBHRARANJAN classes during 2018-19. I have been in studies all my life and UPSC curriculum is an intrinsic part of my life. I like to help institutes which are nurturing young aspirants for govt exams with whatever experience I have got in this preparation. Do take note of my abilities and use your discretion to allocate me some work in our teaching-learning "education and empowerment" field. Thank you

Yours,
SACHIN PATHAK
